1. The following is an examiner's statement of reasons for allowance:

None of the prior art of record shows or renders obvious the starter for an internal combustion engine as recited in claim 1, specifically at least two bearings working to support an outer periphery of said spline tube; a starter output shaft having a spline which is slidable engagement with the spline of said spline tube, said starter output shaft having a pinion which is provided on an end portion of said starter output shaft cantilevered by one of said bearings and which works to mesh with a ring gear of an engine for outputting torque produced by a motor to start the engine.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

#### ***Priority***

2. Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.
